<p><i>* All papers shall be filed in the Lead Case, No. 19-30088 (DM)</i></p>	

PLEASE TAKE NOTICE that Tulsa Inspection Resources – PUC, LLC (“Tulsa”) is the prime contractor under a certain pre-petition Contract (Long Form), dated as of March 27, 2012, by and between Pacific Gas and Electric Company (“PG&E”) and Tulsa Inspection Resources, Inc. (Tulsa’s predecessor in interest), which contract is further referred to as PG&E Contract No. 4400006534, as

1 such contract has been amended, amended and restated or otherwise modified or supplemented from
2 time to time (the “Contract”). Tulsa was hired to provide inspection services related to gas and
3 pipelines, connections, compression stations and related projects critical for safety and required by the
4 United States Department of Transportation Pipeline and Hazardous Materials Administration and
5 California law to ensure explosions leading to loss of life and property damage do not occur, including
6 services related to maintenance and repair (collectively, the “Work”).

7 Prior to the filing of the Debtors’ bankruptcy case, Tulsa provided labor, equipment, services
8 and supplies to PG&E under the Contract along PG&E’s pipeline in the following California counties:
9 Contra Costa, Humboldt, Marin, Monterey, Napa, Shasta, Sonoma and Stanislaus (the “Properties”). The
10 Work under the Contract is a “work of improvement” as defined under California Civ. Code § 8050(a).
11 Under California Civ. Code § 8412,

12 A direct contractor may not enforce a lien unless the contractor records a claim of lien after
13 the contractor completes the direct contract, and before the earlier of the following times:

- 14 (a) Ninety days after the completion of the work of improvement.
15 (b) Sixty days after the owner records a notice of completion or cessation.

16 Likewise, California Civ. Code § 8460(a) provides that,

17 (a) The claimant shall commence an action to enforce a lien within 90 days after
18 recordation of the claim of lien. If the claimant does not commence an action to enforce
the lien within that time, the claim of lien expires and is unenforceable

19 Pursuant to 11 U.S.C. § 546(b), Tulsa hereby gives notice in lieu of the commencement of
20 any such action to perfect, maintain, or continue Tulsa’s liens. Accordingly, Tulsa requests adequate
21 protection of its liens. A true and correct copy of Tulsa’s lien filed in Contra Costa County is
22 attached hereto as Exhibit A. A true and correct copy of Tulsa’s lien filed in Humboldt County is
23 attached hereto as Exhibit B. A true and correct copy of Tulsa’s lien filed in Marin County is
24 attached hereto as Exhibit C. A true and correct copy of Tulsa’s lien filed in Monterey County is
25 attached hereto as Exhibit D. A true and correct copy of Tulsa’s lien filed in Napa County is
26 attached hereto as Exhibit E. A true and correct copy of Tulsa’s lien filed in Shasta County is
27 attached hereto as Exhibit F. A true and correct copy of Tulsa’s lien filed in Sonoma County is
28

attached hereto as Exhibit G. A true and correct copy of Tulsa's lien filed in Stanislaus County is attached hereto as Exhibit H.

Tulsa asserts secured interests in the Properties to the fullest extent allowed by applicable law, including interest and attorneys' fees. Further, Tulsa reserves the right to supplement and/or amend this Notice, and reserves any and all other rights under applicable law.

Dated: March 26, 2019
